### Code of Conduct Signature Page 2022-2023 School Year

Dear Parents/Guardians:

The Jefferson County School District Code of Conduct/Discipline Statement (Found in the Jefferson County Student Family Handbook - Code of Conduct) has been written to provide you and your students with information relating to a student’s, and parent’s rights and responsibilities. As well, it outlines the rights and responsibilities of the school staff/teachers. The Jeffco Code of Conduct/Discipline Handbook is online and can be found at: [jeffcopublicschools.org/schools/code\\_of\\_conduct](http://jeffcopublicschools.org/schools/code_of_conduct).

In order for our policies and procedures to have the greatest positive effect, we need your support. We have trained and expect that all staff/teachers familiarize themselves with this document as well.

We urge you to discuss the content of the Code of Conduct/Discipline with your son/daughter and the importance of complying with the policies and procedures contained therein. Both you and your child(children) must indicate that you have familiarized yourselves with and understand the Jeffco Conduct Code by signing below:

Thank you for your attention and cooperation!
